**NOVEMBER  
1989**

November 20  
Social 7 PM  
Meeting 7:30

"Doing what we want to do" remains our topic of discussion. It is easy to talk about what we don't want to do. Talking about what we **do** want to do is sometimes difficult. So, we'll try something different. **Without** putting your name on it, please fill out the attached questionnaire. We'll exchange them and read at our November meeting. Perhaps we'll get some exciting things going. Please remember, bring this questionnaire to our November meeting.

Our November meeting will be at the home of Loren and Wendy Freeman. See the map.

For our photographic participation, and entertainment, please bring two of something, eg., 2 slides, or 2 prints, B&W, color, or mix them up. This is an opportunity to share some of your favorite images without criticism. you **may** ask for critical comments if you want them. You call the shots.

## **NORTHWEST COUNCIL OF CAMERA CLUBS**

We are invited to participate in the NWCCC Traveling Small Print Salon. At our October meeting, we accepted that invitation. Please bring two prints to our November meeting for that salon. Perhaps you may wish to enter prints you bring for our November sharing (see above).

Prints for this salon may be as large as 8" by 12" on light weight mounts no larger than 8" by 12." Prints may be processed commercially. There will be separate divisions for color and B&W entries.

**I'm sorry**

Apologies to Janet Land. I don't know where I got "Jan Lund" from other than my flower delivering days (The Lund Flower Shop in Tacoma). Anyway, Janet, please accept my apology for this oversight in the October newsletter.

We're still looking at our mailing list. We really don't know who is receiving, and who is not receiving it, but would like to. Please let us know if you're with us, and that you want to continue being with us. Dues are only \$6 a year, payable anytime.
