THURSTON COUNTY FAIR--Photo Salon

As your Editor, I thank Kay for the invitation she extended to the OCC to assist CAPS in the Thurston County Fair, Photo Salon.

I had fun. I enjoyed participating the project. I hope Kay extends to the Olympia CC such an invitation again next year. There are others in the OCC who would have enjoyed sharing in the fun.

"THE FEELING OF TACOMA," Our club project.

We continue to work on accumulating excellent images for our short slide program entitled, "The Feeling of Olympia." We are looking forward to entering that program in the Northwest Council of Camera Clubs-Inter club slide program competition in 1992.

We need images concerning the following:

- Christmas Island
- Farmers Market
- Harbor Days (Labor Day Weekend)
- Lake Fair
- ~~Pet Parade~~
- Japanese Garden (Plum & Union)
- The Olympia Brewery
- The Evergreen State College

At our September meeting we will be taking a look at images we now have. Our Slide Committee consists of:

- Ruth Akins
- Dottie Hall
- Loren Freeman

If you have images, recent or not so recent, please give them to one of those committee members, or bring them to the September meeting.
