Creative Professional Photography

February 7, 1991

Ms. Donna Butler
6126 Gold Ct. S.W.
Tumwater, WA 98502

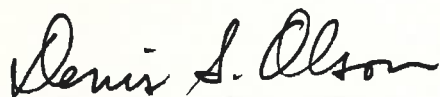

Dear Donna:

Thank you for registering for the Spring Colors Photography Workshop. Every year I look forward to photographing the spectacular color of the flower fields sweeping the Skagit Valley and I'm glad you are part of it this year. So that you can begin thinking about this very special seasonal event, I have included my tentative agenda below.

You will not need to purchase extra equipment for this workshop, however, please bring your camera, a standard lens and an electronic flash (if you have one) for the evening classroom sessions.

As a reminder the first session begins Tuesday, April 2, 1991 at Nendels Inn, 3700 East Valley Road, Renton, WA from 6:30-9:00 PM. (See map and directions enclosed) Feel free to give me a call if you any questions between now and class time. See you there!!

Happy Shooting,

Denis S. Olson
