Terry Liberty, President  
Olympia Camera Club  
6830 Shalom DR SW  
Olympia, WA 98512-07142

Dear Terry,

Every year, member clubs of the NWCCC have an opportunity to acknowledge and to say thank you to that special club member who is always there helping you to make things happen.

This year, **every** nominee (one from any camera club), along with his/her camera club, shall be publicly acknowledged. Of course, the final acknowledgment is for the one person selected to receive the NWCCC Progress Award for 1997.

Nominating a person for the NWCCC Progress Award is quite simple:

1. A short (one page) letter is all it takes.
2. That letter talks about the member's service to his/her camera club and service to the NWCCC. (Service to other photographic organizations does not count for this NWCCC Award.)
3. The nomination must be signed by the camera club president or the camera club secretary.
4. I, the NWCCC Awards Chairman, must receive nominations no later than October 15, 1997. I shall forward all nominations to the NWCCC Awards Committee on the following day.

For your information, a list of recipients of the NWCCC Progress Award is enclosed. Any person receiving the NWCCC Progress Award in 1987 or later is ineligible for nomination at this time.

Sincerely,

  
Loren Freeman  
Awards Chair

*Please nominate someone if you can - Doesn't have to be a club decision. We put Donna in (Luis wrote it) - but it didn't fly. How about Bonnie - So long as I am Chair of awards - I am not eligible for nomination.*

Terry -

We need a delegate to attend the Convention of Delegates on Sat AM (usually) of the Conference -

Bonnie was Delegate last year - Lewis for several years before that -

The Delegate must know if the OCC wants to nominate a member to the NWCC Board of Dir.  
How about you?
