THURSTON COUNTY FAIR

Kent Hojem, Manager

February 9, 1995

Dear Open Class Fair Superintendent:

Time to make corrections to the premium book for the 1995 Thurston County Fair.

Please make any corrections for your department on the enclosed sheet(s) and return it to the Fair by March 7. If the enclosed sheet(s) are not returned by that date, we will assume that they are correct and need no changes.

Some important dates for your calendar are:

April 15 Washington State Fairs Association Superintendent's School, Grays Harbor Fairgrounds, Elma, 9 am registration

August 2-6 Thurston County Fair

The mascot selected for this year's fair is the llama and the theme is "Llights, LLaughs, and Llamas."

Thank you for taking time to make these corrections to improve our premium book. It is one of the best in the state!

Sincerely,

Karen Sharp
Administrative Secretary
